[To accompany H.R. 2911]

[Including cost estimate of the Congressional Budget Office]

The Committee on Transportation and Infrastructure, to whom was referred the bill (H.R. 2911) to designate the Federal building located at 5100 Paint Branch Parkway in College Park, Maryland, as the “Harvey W. Wiley Federal Building”, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE LEGISLATION

H.R. 2911 is a bill designating the Federal building located at 1500 Paint Branch Parkway in College Park, Maryland, as the “Harvey W. Wiley Federal Building”.

BACKGROUND AND NEED FOR THE LEGISLATION

H.R. 2911 was introduced on September 21, 2001 by Congressman Hoyer and Congresswoman Morella of Maryland.

Dr. Harvey Washington Wiley was born in a log farmhouse in Indiana in 1844. Dr. Wiley earned his bachelor degree with honors from Hanover College and his M.D. from Indiana Medical College in 1871. Earning his B.S. from Harvard after only a few months of intense effort, Dr. Wiley then accepted a faculty position in chemistry at Purdue University in 1874. His final years with the University were spent studying sugar chemistry, hoping to develop a strong domestic sugar industry for the United States. In 1882 Dr. Wiley was named Chief Chemist at the U.S. Department of Agriculture. In this position he was known as the father of the Pure Food and Drugs Act when it became law in 1906 and from 1907 to 1912 he served as the first commissioner of what would later become the Food and Drug Administration. In 1912, Dr. Wiley took

over the laboratories for Good Housekeeping Magazine where he established the Good Housekeeping Seal of Approval and continued to work tirelessly on behalf of the consuming public.

On March 20, 2002, the Full Committee met in open session and ordered reported H.R. 2911, a bill designating the Federal building located at 1500 Paint Branch Parkway in College Park, Maryland, as the “Harvey W. ROLLCALL VOTES

Clause 3(b) of rule XIII of the House of Representatives requires each committee report to include the total number of votes cast for and against on each rollcall vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with ordering H.R. 2911 reported.

COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee’s oversight findings and recommendations are reflected in this report.

COST OF LEGISLATION

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

COMPLIANCE WITH HOUSE RULE XIII

1. With respect to the requirement of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, and 308(a) of the Congressional Budget Act of 1974, the Committee references the report of the Congressional Budget Office included below.

2. With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that the bill contains no measure that authorizes funding, so no statement of general performance and objectives for which any measure authorizes funding is required.

3. With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for H.R. 2911 from the Director of the Congressional Budget Office.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, March 22, 2002.

Hon. DON YOUNG,
*Chairman, Committee on Transportation and Infrastructure,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed the following legislation, as ordered reported by the House Committee on Transportation and Infrastructure on March 20, 2001:

- H.R. 2672, a bill to designate the United States courthouse to be constructed at 8th Avenue and Mill Street in Eugene, Oregon, as the “Wayne Lyman Morse United States Courthouse”;
- H.R. 2911, a bill to designate the federal building located at 5100 Paint Branch Parkway in College Park, Maryland, as the “Harvey W. Wiley Federal Building.”

CBO estimates that their enactment would have no significant impact on the federal budget, and would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply. These bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on State, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

BARRY B. ANDERSON
(For Dan L. Crippen, Director).
